MODERN BOTANY

In the early twentieth century, Botanists, Fruit Hunters and Bon Vivants explored the globe and brought tastes of foreign lands back to Britain. Dandelyan, the cocktail bar at Mondrian London, transports you back to this time, to a place where you can lose yourself in exotic flavours, magnetic conversation, and unexpected ideas. More than a bar, Dandelyan is a journey of discovery where you can experiment with new tastes and enjoy unexpected combinations. Award-winning mixologist Ryan Chetiyawardana A.K.A Mr. Lyan, uses his extensive scientific, artistic, and nomadic background to create seasonal 'field guides' that lead you on a journey of spirit experimentation and taste amalgamation.

WYLD TEA

Wyld Tea emulates the botanical influences, stylish design and experimental nature that Dandelyan is known for. In a nod to the original Platner designed Sea Containers building, our Afternoon Tea includes retro inspired cakes and savouries enthused by the 1970's served alongside cocktails, course by course.
