

MEWS TEA SELECTION

BLACK TEAS

Rare Earl Grey
Satemwa Estate, Malawi and Reggio Calabria-Italy.

Rare Earl Grey is the culmination of many years of blending to create the ultimate expression of a British classic.

A rich, complex black tea delicately enhanced with purest bergamot oil from Calabria in southern Italy. Wonderfully bright, it can be enjoyed with milk or a twist of lemon zest and is a sublime Afternoon Tea.

Lost Malawi
English Breakfast
Satemwa Estate,
Shire Highlands, Malawi.

Hand-crafted black tea from a small, independent estate in the Shire Highlands. Deep and rich, it has notes of caramel and burnt sugar. Delicious black, becoming sweet and chocolaty with the addition of milk.

Second Flush
Muscatel Darjeeling
Makaibari Estate, Darjeeling, India.

This highly fragrant black tea is picked in the foothills of the Himalayas on one of the oldest and most beautiful estates in Darjeeling. This tea has a heady, floral aroma with soft notes of muscatel grapes and a rich malty finish. Best enjoyed without milk.

Vanilla
Wuyi Mountains, Fujian Province, China and Madagascar.

This bright infusion combines a delicate black China tea scented with Madagascan vanilla pods.

GREEN TEAS

China Green
Whole Leaf
Fuding, Fujian Province, China

An exquisite Chinese green tea that is meticulously hand-crafted. The leaves are fired in a wok over charcoal in the same way and in the same place they have been made for over 3000 years. Clean, bright and remarkably delicate.

Silver Tip Jasmine
Fuding, Fujian Province, China.

The finest white silver tips scented with fresh jasmine flowers. This tea is not flavoured and contains no additives. Delicate silver tips absorb the scent of fresh jasmine flowers over six consecutive nights. Once the preserve of Emperors this is simply the finest jasmine tea available anywhere. A deep and heady aroma with a light and gentle flavour.

HERBAL TEAS

English Peppermint
Tregothnan Estate, Cornwall, UK.

A rare English peppermint grown in Cornwall in the private botanical garden of the Tregothnan Estate, established in 1335. Counter-intuitively, the menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint.

Whole Chamomile Flowers
Nile Valley, Egypt.

These delicate flowers are carefully dried and kept intact for a sweet and soft flavor. Clean and subtle, these flowers are also wonderfully calming and, of course, caffeine free.

Sri Lankan Lemongrass
Amba Estate, Ravanna Falls.

This uniquely complex and full-bodied lemongrass is grown in a remote mountain tea garden above the Ravanna Falls, Sri Lanka. A rich and exceptionally bright herbal infusion with grassy notes of cut hay and lemon drops.

Wild Rooibos
Cederberg Mountains,
South Africa

Beyond organic, this Rooibos is harvested completely wild in its indigenous habitat in the Cederberg Mountains. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of honey or maple syrup and a twist of lemon zest.
