IT'S ALL ABOUT THE FOOD —

We are wild about fish at Macdonald Hotels & Resorts, with our white fish all being wild. Fish isn't our only food passion; we care where and how all our ingredients have been reared or produced. All lamb and beef is Scottish, with our steaks matured for a minimum of 21 days. Our chicken is free range. Pork is the best of British – Our pork sausages are Red tractor certified and our bacon is British and dry cured. Finally, game: our wild venison and game comes only from Scottish estates and is not farmed. It's our dedication to serving only the highest quality food that makes us different."

All our food and drinks have been freshly prepared in our premises where we handle all allergens. If you have a food allergy or intolerance, please speak to your server before you order your meal or drinks
