“This series of 8 paintings concentrates on two themes: the sheer majesty of The Savoy and the glamour of iconic idols that have been and will continue to be associated with this historic hotel. The choice of subjects serves not only to remind us of an era of great hope and aspiration but also allow us to consider both progress and potential. The Savoy has continued to achieve a standard which might otherwise be lost in our throwaway society where everything is replaceable”.

McAlpine Miller, 2012

All of the paintings are oil on linen canvas. The collection was commissioned by The Savoy in 2012.
