## Afternoon Tea Menu

Welcome to one of the most famous of hotel lounges!  
As indicated in the drawing on the front of this menu,  
the Grand Hotel lounges have been a centre of social activity  
since the hotel was built in 1875.

The BBC chose the Great Hall for their weekly broadcast 'Grand Hotel' featuring the hotel's orchestra before the Second World War – the acoustics were said to be unmatched.

We hope today that you enjoy the Grand Hotel lounges  
and find something from our suggestions to enjoy.
