# LOOSE LEAF TEA SELECTION

## Roses in Bloom *M*

*Roses have long been associated with Winston Churchill and Chartwell House, their family home in Kent. The flower was part of his and Lady Clementine's love story and every year roses bloom across the Golden Rose Avenue and the Rose Garden, designed by her close friend and cousin, Venetia Montagu. In celebration we have crafted our very own signature blend with Newby's tea tasters and bring you 'Roses in Bloom'.*

*Aroma of roses and roasted almond.*

## Lapsang Souchong

*A sweetly strong aroma with a full rounded taste and a long smoky finish.*

## Strawberry & Mango

*Sweet and sour notes of mango and strawberry with a hint of honey.*

## Hibiscus Red Berries

*Deep red in colour with a floral and fruit aroma, sweet and sour notes.*

## Rooibos Tiramisu

*A sugary cocoa aroma with tastes of nuts, chocolate and coffee with a sweet and lasting finish.*

## Ginseng Oolong

*A golden-brown cup with a floral, orchid-like aroma and sweet, lingering finish.*

## Green Sencha

*A subtle, fresh fragrance balanced with hints of rice and a smooth finish.*

## Jasmine Pearls

*A light honey-yellow cup with the aroma of fragrant jasmine. Sweet with a lasting, floral finish.*

## Silver Needle

*Aromatic notes of melon and honey with a creamy and clean refreshing finish.*
