Tea

Witchery Blend

Exclusively hand crafted for the Witchery by Pekoe Tea Edinburgh. This blend combines Ceylon, Assam and Chinese black tea to create a rich well-balanced tea. A versatile tea suitable for both breakfast and afternoon.

Serendipity Souchon

A tea that flourishes at sea level. The tea is gently smoked over cinnamon wood furnishing it with a fragrant smoked note. The finish in the cup is a whisper of spicy sweetness and splendour.

Jungpana

High grown on the foothills of the Himalayas, Jungpana is carefully handpicked and is a 2nd flush tea which produces a darker cup with the signature muscatel flavour of Darjeeling.

Planter's Earl Grey

The most aristocratic of teas, our Earl Grey is handpicked and infused with a drop of natural bergamot oil. A well-rounded bold tea balanced with fragrant citrus notes.

Planters' Green

Grown on the high peaks and hand plucked, this large leaf tea is pan heated to produce a light mellow brew with a delicate flavour and aroma. Fresh, sweet and invigorating.

Peppermint

The variety of peppermint bush used, produces a deep purple flower with a distinctive dark green leaf which helps create a strong flavoured minty tea. This is a cherished herbal tea that has been used for centuries to aid digestion.

Whole Chamomile Flowers

Light and refreshing, possessing a clean and sweet flavour that finishes with delicate floral notes. Caffeine free and calming tea.

Radiant Rose

An irresistible combination of leafy black tea married with rose petals to give a radiant and exhilarating infusion. This delicious tea has a perfumed nose, which flourishes into a delicate, sweet and floral infusion.
