

The afternoon tea tradition originated in the early 1800s from Anna, the 7th Duchess of Bedford. Tea was served with bread and butter in the afternoon to avoid hunger between lunch and dinner. This practice then became a British norm which saw the inclusion of fancy pastries, sandwiches and scones served with clotted cream and preserves.

Our afternoon teas are available between 2.00pm and 5.00pm, and are served in one of our designated lounges with your choice of luxury tea.
