Allergen Information: Our easy to use allergen guide is available for you to use on the food section of our website or on our Glass Onion app. We keep it online so that it's always as up to date as possible and you can filter out dishes containing any of the 14 major allergens. If you can't access the internet, we will be happy to provide you with the information. Our food and drinks are prepared in food areas where other cross contamination risks may occur and our menu descriptions do not include all ingredients. If you have any questions, allergies or intolerances, please let us know before ordering. Dishes containing fish may contain small bones. (V) = made with vegetarian ingredients, (VE) = made with vegan ingredients, however some of our preparation and cooking methods could affect this. If you require more information, please ask your server.
