

Céleste

Please allow me to start by welcoming you to Céleste Restaurant, The Lanesborough's celebrated dining experience.

My passion for cooking began when I was 14 as I discovered all the fresh produce and ingredients on my small family farm in Portugal.

I hope that you are able to experience some of these flavours and textures I came across growing up in the dishes on the menu today.

Honouring British heritage and provenance, with modern European creativity, our aim is to take you on a discovery of great flavours and food with a real story, with a strong commitment to source locally produced ingredients.
