SIMPLY

WHAT WE'RE ABOUT

FAMOUSLY PROPER

WE STARTED BYRON BACK IN 2007 WITH ONE MISSION: TO DO A SIMPLE THING AND DO IT PROPERLY. WE STILL STAND BY THIS STATEMENT: GOOD FOOD, MADE PROPERLY WITH THE BEST INGREDIENTS. FAMOUSLY PROPER, SOME MIGHT SAY.

PROPER INGREDIENTS

We use only the best produce for all our dishes. Our beef is sourced from Select Butchery and is 100% British. The burgers are a unique mix of chuck, brisket & rib cap for maximum flavour.

Only free range eggs are used throughout our restaurants.

Our squishy buns were lovingly developed with an artisan bakery and our Byron secret seasoning is a blend of natural ingredients.

PROPER FOOD

Our chefs are amazing! All our food is cooked to order for a fresh and tasty meal every time.

Our menus are developed, tested and re-tested by our food-obsessed team.

Innovation and creativity are our passion and focus, inspiring us to bring new dishes to your plate.

PROPER LOVE

Here at Byron we always look for opportunities to give back and support local communities, we are proud to be working with two great charities: Only A Pavement Away assists the homeless, ex-offenders and vulnerable veterans to reintegrate back into society. Working Chance supports both women who have been in prison and young women care leavers into employment, helping them to fulfil their potential and develop their skill sets.

ALLERGENS

HAVE AN ALLERGY? SPEAK TO AN ALLERGY CHAMPION OR MANAGER

IF YOU HAVE ANY SPECIFIC DIETARY REQUIREMENTS OR ALLERGIES, WE HAVE A COMPREHENSIVE ALLERGY GUIDE TO HELP YOU MAKE THE RIGHT CHOICE FOR YOU. PLEASE ASK OUR TEAM FOR A COPY OF THE ALLERGY GUIDE BEFORE YOU PLACE YOUR ORDER.

If you have further questions please speak to the Manager on Duty. We do not declare every ingredient used within a dish on this menu, and recipes may be subject to change. We'll do our very best to accommodate you, and whilst every effort is made to minimise cross-contamination, our ingredients are manufactured, and our dishes are prepared, in environments where allergens are present. We cannot therefore guarantee that any item on our menu is 100% allergen-free. All chicken on our adult menu is marinated in lemon, chilli and oil, all our fried chicken is marinated in buttermilk.

Our burgers: we prefer our hamburgers cooked medium, so they are perfectly juicy, but of course it should be up to you. The Food Standards Agency has asked us to point out that burgers cooked rare and medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please email us at: hello@byron.co for more information. Please note that all bourbon products on our menu may contain alcohol. Drinkaware.co.uk
