

Welcome to M GRILL! Our Culinary Director Michael Reid has created a menu which draws its inspirations from six countries from across the globe that are famed for their outstanding quality of beef and natural produce (you will find our wine offering is from the same six countries).

Our beef is the highest quality in the world and largely exclusive to M. In addition, Our seafood offering is the most sustainable and ethically sourced fish found in London, including Ikejime, through a partnership with the famed Mark W Eather.
