All our food and drinks have been freshly prepared in our premises where we handle all allergens. If you have a food allergy or intolerance please speak to your server before you order your meal or drinks.

### IT'S ALL ABOUT THE FOOD —

We are wild about fish at Macdonald Hotels & Resorts. Our white fish is caught from wild sustainable sources. Fish isn't our only food passion; we care where and how all our ingredients have been reared or produced. All lamb and beef is Scottish, with beef matured for a minimum of 21 days. Our chicken is from the UK and Red Tractor certified. Pork is the best of British – Red tractor pork sausages and our bacon is British dry cured. It's our dedication to serving only the highest quality food that makes us different.
