TEA SELECTION

BLACK

SINGLE-ESTATE ENGLISH BREAKFAST

(Satemwa Estate, Shire Highlands, Malawi) Handcrafted black tea from a small, independent estate in the Shire Highlands. The oldest tea estate in Malawi and still family run. Deep, rich and malty, it has notes of caramel and burnt sugar. Delicious black, becoming sweet and chocolaty with the addition of milk.

EARL GREY

(Satemwa Estate, Malawi and Reggio Calabria, Italy) A traditional Earl Grey blended with single-estate black tea and pure bergamot oil. This is a classic British tea made to exacting standards. A clean and exceptionally bright infusion with exhilarating citrus notes. It can be enjoyed with or without milk, or with a twist of lemon zest.

EMPEROR'S BREAKFAST

(Wuyi Mountains, Fujian Province, China) Smooth with flavours of rich toffee, butterscotch and vanilla. Deep notes of wood, peat and smoke like a fine malt whisky. Singularly rich and profoundly delicious.

OOLONG

DA HONG PAO

(Wuyi Mountains, Wuyishan, China) Perhaps the finest oolong in China, grown from a unique and ancient cultivar in the Wuyishan UNESCO world heritage site. Notes of nutty chocolate and a rounded, earthy, yet sweet aroma.

WAIKATO OOLONG

(Zealong Estate, Hamilton, New Zealand) Slight mineral notes, with a long-lasting sweetness, reminiscent of crème anglaise.

GREEN

DRAGONWELL - LONGJING

(Hangzhou, Zhejiang Province, China) Fresh sweetness with rich green vegetal flavours and subtle note of hazelnuts.

GREEN TEA & MINT BLEND

(Zhejiang Province, China & Malawi) Smooth, round mouthfeel and a refreshingly clean flavour. Soft and gently uplifting.

EMERALD

(Green Anhui, China) Also known as Mao Feng or Fur Peak for the downy hairs on the spring buds. The leaves are painstakingly hand-rolled by masters resulting in an extraordinarily fine green tea. Soft hay with notes of apricot and an elegant and lingering buttery finish.

WHITE

JASMINE SILVER TIP

(Fuding, Fujian Province, China) The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers. Deep & heady aroma. Delicate & elegant.

WHITE PEONY

(Fuding, Fujian Province, China) Sweetness with grassy notes and a delicate hint of apricot.

HERBAL INFUSIONS

WHOLE CHAMOMILE FLOWERS

(Slavonija & Podravina, Croatia) Carefully dried and kept intact for a sweet and soft flavour. Clean and subtle, wonderfully calming.

CORNISH PEPPERMINT

(Tregothnan Estate, Cornwall, UK) The menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint.

WILD ROOIBOS

(Cederberg Mountains, South Africa) Deep earthy notes, bright red berries & cedar. Beautifully enhanced by the addition of a twist of lemon zest.

LEMON VERBENA & SWEET CICELY

(Forests of Jutland, Denmark) A blend of wild foraged sweet cicely from Jutland and lemon verbena. This herbal infusion has a soft lemon base with subtle green anise notes. It is wonderfully clean and reviving as a digestif as well as being an elegant pairing with food.
